5. Time Allotment: 15 min.

Implementation

Procedure

target class 9

In class activity idea: have the pupils 👁 break into small groups and create a psa (public service announcement) - to be presented to class. research via phone or computer.

topics -

#you are only limited by your imagination

seatbelts

"bald tires"

distracted driving

road rage

being pulled over

.

Have students make a 2 min verbal presentations.

Some ideas for the format: call and response, a song, a poem, an engaging "ripped from the headlines" story, ect. The target group for this PSA is podcast listeners in their age group.

- have them include at least 2 fun facts.
- a sound effect
- a prop

Have each group present and then have them graded by the other students on a scale of 1 to 5.

Instructor acts as the master of ceremonies.

Time the presentations. 2 min. Have an audible alarm.

Have the first two groups present and then start the "grading". This method created a baseline. Have students put the "grade" in the chat after each presentation. This method encourages the students to try.
